Description: Pyke was a human individual who served as an Imperial Army trooper corporal for the Galactic Empire. In 4 BBY, Pyke delivered Lieutenant Krole to the residence of Bix Caleen so the Imperial officer could be intimate with the human. However, after taking a quick nap, Pyke was awoken to the sounds of Krole's screams and advanced toward the residence, only to witness his commanding officer stagger out of the mobil-haus and die in front of him. As he attempted to remove Caleen from the building, ignoring her pleas that Krole attempted to rape her, the human Wilmon Paak fired at the corporal, which prompted Pyke to duck for cover. As Pyke attempted to return fire back at Paak, he was shot dead by Caleen.
