Races D6 / Nithorn

Name: Nithorn
Designation: Sentient
Skin color: Green, Orange
Eye color: Black
Distinctions: Beaked faces, Three-fingered hands, Feathered heads and hands
Attribute Dice: 12D

Dex: 2D/3D
Know: 2D/5D
Mech: 2D/4D
Perc: 2D/5D
Str: 2D/3D
Tech: 2D/4D

Special Abilities:

Beak: Although considered uncivilised and uncultured by the Nithorn, their beak is hard and can do Str+1D damage in combat.

Story Factors:

Preening: Nithorn delight in their personal appearance, and while not against getting dirty when working, they will tend to spend time cleaning themselves and making their appearance perfect.

Move: 10/12

Description: Nithorns were an avian sentient species that existed in the galaxy with leathery orange-and-green skin, black eyes and beaked faces. Members of the species were both present at the Lodge on Vandor and the First Light. One was also seen shopping on Ghorman in 3 BBY.
