Planets D6 / Port Steergard

Name: Port Steergard
Location: Rimma Trade Route

Description: Port Steergard was a maritime port located along the Rimma Trade Route. In 3 BBY, Cassian Andor traveled to Port Steergard from the planet Ghorman after assessing the capabilities of the Ghorman Front, a rebel faction operating there. Andor, disguised as a fashion designer named Varian Skye, met with Luthen Rael at the port before the latter transported them both back to Coruscant in Rael's Fondor Haulcraft.
