Description: Senator Karloo was a politician in the Imperial Senate of the Galactic Empire. Following the Ghorman Massacre in 2 BBY, the senate held a session to discuss the events. Karloo was one of several senators who spoke within the Galactic Senate Chamber as part of the day's agenda. Karloo remarked how one of their constituents perished during the event, and stated

that this event should be considered an emergency. Following Karloo's remarks, Senior Senator Erveen yielded their time to Senior Senator Bail Prestor Organa, who used Karloo's emergency statement as an excuse to invoke Article 17-252, allowing him to further yield his time to Senior Senator Mon Mothma. Senator Mothma used her time to denounce Galactic Emperor Sheev Palpatine as responsible for the Ghorman Massacre. Mothma subsequently made an escape from the Senate and stated the Declaration of Rebellion above Dantooine's orbit, officially creating the Alliance to Restore the Republic.
